Warm Christmas Punch
Here's a great alternative that'll go down well at any Christmas party. It's easy to make – simply mix the following and heat gently (don't allow to boil):

- 1 bottle red wine
- 150ml / 1/4 pint dark rum (optional)
- 600ml / 1 pint cranberry juice
- 300ml / 1/2 pint apple juice
- 300ml / 1/2 pint orange juice
- 2 tbsp sugar
- 1 mulled wine spice sachet
- Sliced lemon, orange, apple

However long your Christmas list of things to do is, getting in some seasonal cheer in liquid form is always a pleasure – especially when there are so many great beers, wines and spirits to be had at Thresher Group stores. And even more so when you know you'll be earning Nectar points too.

Classic wines of the world.
Wine is always a good place to start for a party, and with Thresher Group's exclusive ranges, you won't be disappointed.

Take the *Origin* range, for example. Specialist tasters travelled the world, sampling over 1,200 wines. From favourites such as Chardonnay, Shiraz and Sauvignon Blanc to the more unusual Garnacha, they rejected all but 16. Because they 'only say yes to the best', you're guaranteed to have one of the best wines of its type for the price.

Then there's the refined *Radcliffe's Regional Classics Range*. It's a select range of

26 outstanding wines from Europe's most revered wine regions, including Bordeaux and Burgundy in France, and Chianti in Italy.

The spirit of Christmas present.
Whether you're looking for a special gift or a drink to savour, Thresher Group spirits are hard to beat. Naturally they stock all your favourite brands, but look out too for some exclusives with a Thresher Group twist.

For instance, *Victory Premium London Dry Gin* is a superbly distinctive spirit with a clean, crisp flavour and beautiful finish. With a unique range of aromatic flavourings including juniper, coriander, almond, lemon and cassia, it's almost a pity to add the tonic water!

Then there's *Imperial Extra Pure Vodka*, triple distilled to give crystal clarity and ultra smoothness. Or if whisky is your tippie, try some *Glen Rossie 8 Year Old Scotch*. Created from the finest malt and grain whiskies, it's been

matured in oak casks for eight years, before being skilfully blended in the tradition of the master blender.

Thresher Group want you to love everything you buy from them, even if that costs them money. If you are not absolutely thrilled with your choice, return it and Thresher Group will replace it – you don't have to give a reason!
